The Oakwood Soccer Club member policies (read below) must be adhered to by all players & parents for the seasonal year 2023-24 to remain in "Good Standing" (This form must be completed on a yearly basis)

- I will meet my financial obligations on time and provide a credit card number to guarantee the payment schedule below. The Oakwood Soccer Club is a non-profit youth organization, and it is required to pay many fees up front such as: player registrations, league, tournament, and many other necessary operational costs. The financial status of players sustaining a year ending injury will be dealt with on an individual basis.
- U12 & above, players may not participate in any soccer activity (outside of the Oakwood Soccer Club) including club tryouts, training centers, friendly games, tournaments, team training, id camps & MLS RDS without the prior approval of the Oakwood Soccer Club, for the entire year August 15, 2023 - August 15, 2024. Please communicate, in advance, with your Oakwood coach. If not, this will jeopardize your placement and is considered a very serious breach of commitment.
- For players U11 & below, advance discussion & permission are still required but these cases will be met with greater latitude. Please note that Oakwood will not support any unsanctioned team activity. Player passes are the property of the club.
- Club-wide raffle each player must sell a minimum of one raffle book of 20 tickets. Details to follow including incentives for the top sellers.

Parent Code of Conduct:

- Support Oakwood SC and ensuring all players & parents to abide to the Club & Leagues Code of Conduct and all policies per their respective league (MLSN, GA, EDP, NECSL, NEAL)
- Use appropriate language at all times
- Refrain from coaching my child or other children from the sideline during practices and games.
- Support the Oakwood coach in all areas by providing positive reinforcement and showing respect to the game officials, staff, and facilities.

Each parent must sign and submit this Club Letter of Commitment for the seasonal year to: betzi.derella@oakwoodsoccer.com upon receipt and an invoice will be emailed.
